

RECRUITMENT

The Georgia Institute of Technology welcomes applicants from all student populations.

The Georgia Institute of Technology has not and does not engage in high pressure recruitment tactics such as making multiple unsolicited contacts (three or more), including contacts by phone, email, or in-person, and engaging in same-day recruitment and registration for the purposes of securing students who are receiving benefits under the Military Tuition Assistance, GI Bill® Chapters, and/or the Veteran Readiness and Employment Program.

The Georgia Institute of Technology does not provide commission, bonus or other incentive payment based directly or indirectly on securing enrollment or federal financial aid (including Tuition Assistance funds) to any persons or entities engaged in any student recruiting or admission activities or making decisions regarding the award of student financial assistance.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <https://www.benefits.va.gov/gibill>.
