

AUDITING

1. The auditing of a course will be permitted to regularly a enrolled student who has obtained the approval of their advisor and the departments concerned. Such a course counts at full value in computing the student's course load for an academic term.
2. The grade of "V" (i.e., "Visitor") is earned when a student audits a course. The "V" grade has no effect on a student's grade-point average (GPA).
3. No academic credit is granted for auditing a course.
4. Students are not permitted to change to or from an auditing status except through the regular procedures for schedule change or withdrawal. Any student who does not meet the instructor's requirements for a successful audit will be withdrawn with a grade of "W" assigned at the end of the academic term.
5. Students are not permitted to change to or from an auditing status except during an active registration period (Phase I or Phase II).
