<sup>1</sup> Credit for JAPN 1002 will be used in Arts, Humanities, and Ethics. If a student has additional humanities credit, then they may choose to count JAPN 1002 in Field of Study.

<sup>2</sup> JAPN 4500, "Intercultural Seminar" is the only required language course. JAPN 4500 functions as the capstone course for the B.S. ALIS degree. Students should plan to take this course in their last spring semester before graduation and upon completion of the required study abroad credits. Please consult with advisor on scheduling for the required JAPN 4500 course. Note that a student with a valid scheduling conflict may substitute JAPN 4699 (Undergraduate Research) for JAPN 4500 (Intercultural Seminar) with approval from the Director of Undergraduate Studies and/or Assistant Director of Undergraduate Studies. Valid scheduling conflicts include co-oping, interning, or studying abroad in the spring semester of one's senior year or needing to take another required major course in the same time slot in one's senior year.

<sup>3</sup> Students are required to complete at least 39 credit hours of upper division coursework overall.

<sup>4</sup> JAPN 34XX classes or JAPN special topics courses taught in English may not be used here. They may be used in field of study or free electives.

<sup>5</sup> A minimum of 6 credits from the 3000 or 4000 level Japanese ALIS Major Requirements must be completed abroad in Japanese. A student may petition to have the 6-credit study abroad requirement reduced or waived under circumstances of extreme hardship or in the event of program cancellation. If approved, the student would substitute the overseas experience with a comparable cross-cultural experience as approved by the Program Director, Director of Undergraduate Studies, and/or Assistant Director of Undergraduate Studies.

<sup>6</sup> Students are strongly encouraged to take additional language courses, linguistics courses, and relevant area studies courses as part of their free elective credits.
