		-

CEE 4801 not allowed toward degree.

Economics Requirement ⁶

Students must earn a 2.0 average in all CEE courses.

- ¹ Students must complete one Ethics course during their program. For a complete list of Ethics courses, please see: Ethics
- ² If PHYS 2231 is taken, extra credit hour goes to Free Electives.

- ⁴ Any 3000-level or higher CEE course, with the exception of CEE 4801, CEE 8811, and CEE 8812. Maximum of 3 credit hours CEE 4699 and CEE 4900. Only one non-CEE course allowed: CHBE 2130, ME 3322, MSE 3001, COA 4010, CP 4010, CP 4020, CP 4310, and CP 4510.
- ⁵ Maximum 3 credit hours CEE 2699 allowed. MATH 1113, PHYS 2802, PHYS 2XXX (AP credit), are not allowed.
- ⁶ Students must complete one course from the following list that includes appropriate economic content relevant to the program: ECON 2100, ECON 2101, ECON 2105, or ECON 2106. Note that ECON 2100, 2101, 2105, 2106 may also be applied toward Core IMPACTS Social Science credit hours. You should discuss this with your academic advisor to ensure that you are taking the most efficient path to complete both areas.
- ⁷ Maximum of 3 credits of research towards major degree requirements. Research topic must be within the designated area and subject to approval.

³ Minimum grade of C is required.
