

# UNDERGRADUATE EMBEDDED CERTIFICATE IN FINANCE

Technology is the market's present and future. The globalization of financial markets is influencing the financial services industry as well as corporate finance functions in a fundamental way, posing challenges for academics and practitioners alike. A fundamental understanding of these developments is necessary to succeed in the increasingly competitive global economy.

## Program of Study for Business Majors

The Scheller College of Business offers a Certificate in Finance for undergraduate business administration and non-business administration students at Georgia Tech. All courses counting toward a certificate must be taken as letter grade, and a grade of C or better must be received in each course.
